Indigenous Peoples of the World Listed by Names and Aliases (Ethnonyms)

This listing of the world's indigenous peoples is designed for anyone wishing to view photo-ethnographic essays categorized by names and alias names (ethnonyms). This listing includes multiple entries for the same indigenous people because each ethno-lingustic group is known by different names in different languages, which in turn are transcribed/transliterated differently into English.

People Names, Aliases and Ethnonyms
Adal Adali Aeta Afár af Afar Affarigna Agta Ahka Aini Ajamat Ajamatau Ak'a Aka Akha Aniyunwiya Ata Ati Atta Auca Auishiri Aussa Ayta
